In Boulder County many Landlords and Property Management Companies work with the Housing Authority and lease to tenants that are participants in the Section 8 Programs. Because there are so many private Landlords in the community, it is impossible to create a comprehensive list of all the Landlords that work with the program. We suggest you check the local newspapers on a daily basis and call Property Managers to inquire about vacancies.

Please note: **Some of the buildings that a property management company manages will not take a Section 8 Voucher.** Ask the property manager if the building you are interested in will take a Section 8 Voucher before filling out an application.
